Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General & Revenue Departments.

SIR,

I have the honour to forward herewith copies of the marginally noted letters from the Deputy Commissioner, Kolar ~~District~~ District (with the enclosures in original) and to state that a sum of Rs 830-12-2 was drawn and disbursed as advances for earth-work to unrestored minor tanks and a sum of Rs553-3-0 as advances for earth-work to restored (major and minor) tanks, during the year 1910-11. No allotment of funds was made for the Kolar District for either of these purposes, as the Deputy Commissioner had not applied for the same. The ommission to apply for the funds is said to be due to change of "maramat" clerks.

No. 632/36 dated 13th July 1911.
No. 1210/76 dated 1st August 1911.

2. I beg to recommend that the said expenditure may be admitted. The excess expenditure incurred by the Deputy Commissioner of Kolar is in all probability covered by the amount of lapses in the other Districts including a lapse of Rs1000 in the Chitaldrug District, being the allotment for advances for earth-work to unrestored minor tanks.

I have the honour to be,
Sir,
Your most obedient servant,
